

REMARKS

On page 6 of the Notice of Allowability, under the "Response to Arguments" section, the Examiner indicated that "The objection of claims 1-10 has been withdrawn." However, claim 1 was not pending in this application, having been previously cancelled. Applicant requests that the record be updated to correctly indicate that the objection to claims 2-10 has been withdrawn and, if necessary, that a corrected Notice of Allowability be issued.

Dated: November 13, 2007

Respectfully submitted,
